

elvina[®]
— BABY —

GREAT IN QUALITY,
RICH IN L♥VE

The Elvina brand began its activities in Iran in 2018 in the field of producing skincare products for infants and children. Elvina products are formulated by taking into account the physiological characteristics of young skin and are developed as hypoallergenic, making them suitable for use from birth. In the formulation of Elvina products, potentially sensitizing ingredients such as lanolin, alcohol, and parabens have not been used. The selection of safe and skin-compatible raw materials, along with strict adherence to quality control principles, has resulted in products with a light texture and high tolerability, designed for daily use. The production process of Elvina products is carried out in accordance with quality and safety requirements, with the aim of providing reliable solutions for the care of sensitive infant and child skin.

HAIR CARE

Baby Hair & Body Shampoo

Baby Hair & Body Shampoo

Benefits:

- Gentle cleanser suitable for baby's hair and body
- Does not cause eye irritation
- Free from irritating soap-based surfactants (SLES)
- Balanced pH
- Hypoallergenic formulation

Directions for Use:

Massage an appropriate amount of shampoo onto the baby's wet hair and body, then rinse thoroughly.

Active Ingredients:

Surfactant Free-Soap: Gentle non-soap cleanser

Dexpanthenol: Softening and moisturizing agent

Keratin: Strengthens the hair shaft

Biotin: Strengthens hair shaft and supports hair growth

250 mL

HAIR CARE

Baby Hair Conditioner | Baby Hair Detangler Spray

Baby Hair Conditioner

Benefits:

- Gentle conditioner
- Softens and styles baby's hair
- Improves combability
- Anti-static and anti-frizz

Directions for Use:

After shampooing, massage an appropriate amount onto the hair shaft. Rinse after 1–2 minutes.

Active Ingredients:

Cetrimonium Chloride: Conditioner and anti-tangling agent

Dimethicone: Protective layer former

Bepanthen & Biotin: Strengthen hair shaft and support hair growth

Aloe Vera: Moisturizing and anti-inflammatory

Dexpanthenol: Soothing, anti-inflammatory, and repairing (anti-split ends)

200 mL

Baby Hair Detangler Spray

Benefits:

- Detangles hair and improves combability
- Softens and adds shine
- Anti-static and anti-frizz
- No rinsing required

Directions for Use:

Spray an appropriate amount onto damp hair from a distance of 30 cm, then comb gently.

Active Ingredients:

Amodimethicone: Creates a protective layer on the hair shaft and improves combability

Panthenol: Vitaminizing and softening agent

Coconut Oil: Nourishing and strengthening for hair shaft

Sweet Almond Oil: Softening and smoothing agent

200 mL

HAIR CARE

Anti-Lice Solution

Anti-Lice Solution

Benefits:

- Safe formulation, free from chemical toxins and harmful substances
- Effective in eliminating adult lice and eggs (nits)
- Effective treatment for head lice in children over 2 years and adults
- Helps reduce itching and scalp irritation caused by lice
- Contains 30% Dimethicone to block the respiratory pathways of lice

Directions for Use:

Apply the solution evenly to clean, dry hair and scalp until the hair is fully coated from roots to ends. After 30 minutes, gently comb the hair using the special comb provided to remove lice and eggs. Then keep the solution on the hair for at least 8 hours or overnight (use of a plastic cap is recommended). After this time, wash hair with a mild shampoo. To complete treatment, repeat the process after 7 days.

Active Ingredients:

Dimethicone: Blocks respiratory pathways of lice and nits

Isopropyl Myristate: Dissolves the fatty (waxy) layer of lice

Cyclopentasiloxane: Lightweight softener without greasy feel

Calendula Oil: Anti-inflammatory and repairing
Vitamins A & E: Antioxidant and nourishing
Mineral Oils: Prevent moisture loss
Beeswax: Repairing and nourishing
Sweet Almond Oil: Softening and strengthening

50 mL

DAILY CARE

Baby Oil | Face & Body Lotion

Face & Body Lotion

Benefits:

- Moisturizing and hydrating
- Softens and protects skin from dryness
- Lightweight, non-greasy texture

Directions for Use:

Massage an appropriate amount onto baby's skin until absorbed.

Active Ingredients:

- Moist™ 24: 24-hour hydration
- Shea Butter: Nourishing and softening
- Avocado Oil: Rich in fatty acids, strengthens skin barrier
- Sweet Almond Oil: Softening and strengthening
- Jojoba Oil: Softening
- Beeswax: Repairing and nourishing

250 mL

Baby Body Oil

Benefits:

- Ideal for baby massage
- Softening and smoothing
- Contains skin-nourishing oils

Directions for Use:

Spray an appropriate amount onto baby's skin and gently massage until absorbed.

Active Ingredients:

- Jojoba Oil: Powerful softener
- Wheat Germ Oil: Softening and vitamin-rich
- Calendula Oil: Anti-inflammatory
- Linseed (Flaxseed) Oil: Rich in Omega-3
- Coconut Oil: Rich in essential fatty acids
- Mineral Oil: Prevents water evaporation and dryness

150 mL

DAILY CARE

Lip Balm

Lip Balm

Benefits:

- Moisturizes lips and surrounding skin
- Contains Vitamin E, beeswax, and shea butter
- Nourishing and soothing for lip skin
- Free from harmful ingredients if ingested

Directions for Use:

Apply directly to baby's lips twice daily (up to five times daily for very dry lips). For best results, apply after meals and after cleaning the mouth area.

Active Ingredients:

Shea Butter: Softening and moisturizing
Beeswax: Protects lips against dryness and cracking
Vitamin E: Soothes dryness and irritation

50 mL

MOTHER CARE

For Mom, With Love

MOTHER CARE

Nipple Balm | Stretch Mark Gel-Cream

Nipple Balm

Benefits:

- Prevents and soothes cracks and wounds caused by breastfeeding
- Safe for use during breastfeeding with no adverse effects on the baby
- Hypoallergenic; free from lanolin, parabens, preservatives, and fragrance
- Silicone-based texture with fast absorption
- No need to rinse before breastfeeding

Directions for Use:

After each breastfeeding session, apply an appropriate amount to the affected area and massage until fully absorbed. No washing is required before the next feeding.

Active Ingredients:

Shea Butter: Nourishing

Avocado Oil: Rich in essential fatty acids and vitamins

Tocopheryl Acetate: Repairing and antioxidant

Sweet Almond Oil: Soothing agent

Dimethicone: Skin-protective and softening agent

15 mL

Stretch Mark Gel-Cream

Benefits:

- Helps prevent stretch marks caused by pregnancy and weight changes
- Increases skin firmness and elasticity through peptides
- Stimulates collagen production and skin regeneration
- Improves the appearance of existing stretch marks

Directions for Use:

Apply twice daily to the desired areas using circular massage until fully absorbed. Continuous use helps visibly reduce existing stretch marks and prevent new ones.

Active Ingredients:

Matrixyl® Morphomics™: Supports collagen production and skin firmness to prevent stretch marks

Regestril™: Improves the appearance of stretch marks and supports skin regeneration

Darutoside: Accelerates skin repair and improves elasticity
